Honors and Awards

Honors and Awards

Presentation Excellence Award, Academic Business World International Conference.
(September 2014).

. During the crisis, the FDIC ignored systemic risk in community bank loan participations until a small community bank in south Georgia actually sued the FDIC. The lawsuit devised by an Atlanta based attorney became the model for community banks struggling to avoid FDIC receivership. This paper describes the systemic risk and details the struggles and triumphs of this small community bank.

Best Paper Award, Academic Business World International. (2007).

Recognition of superior scholarship presented at the Academic Business World International Conference. The awarded paper is then invited for publication into of the organization's peer reviewed journal

Best Presentation Award, Academic Business World International. (2007).
